Dedicated to all prayer warriors at the battlefronts of life

PUBLISHER'S NOTE

100 PRAYER POINTS is a work of miracle for miracles. This is because its conception was not premeditated; rather it was ordered by the Holy Spirit to minister to the world and extend the horizons of faith in prayers.

It is an undeniable truth that a lot of Christians do not know how to pray effectively or lack the necessary connection and knowledge to be close to God. To make up for such a deficiency and reestablish divine connection is why this book was made. As such, we urge our readers to take this prayer manual as more than an ordinary book, but a distillation of God's thought for mankind.

Pastor E. A Adeboye largely needs no introduction. His ministry, called The Redeemed Christian Church Of God, is one of the largest congregations in the world, with churches in almost all countries of the world. He is a man after God's heart, as his teachings has healed millions of souls and his prayers, simple and clear, are filled with the force of the Holy Spirit. A selection of prayers from his ministries are collected in this book; made for your meditations and invocations when at the battlefront of prayers.

We sincerely hope our readers will find delight and inspiration for prayers in reading the book and more pertinently, find audience with God to get His action done on our prayer requests. For when God listens to our prayers, He performs all things for us (Psalm 57:2), giving us unspeakable joy as partakers of divine grace found in the salvation of our Lord Jesus Christ. May our prayers get speedy answers in Jesus name.

Let somebody shout alleluia.
